Newsletter No. 4

Dear Parents & Carers,

Thank you to everyone who attended our 40th Celebration. It was a great success and it was lovely to see so many previous members of staff and parents.

Harvest Festival

Our Harvest Festival is taking place on Wednesday 11th October. This year we are again supporting the 'Bedford Foodbank Harvest Appeal'. Please find accompanying this letter a leaflet from the Foodbank with suggested items to donate. I would like to thank you in advance for your support of this worthwhile cause.

Starting School 2018

If your child was born in between 01/09/2013 – 31/08/2014 it is now time to apply for a school place. You can do this and find all the information needed online at www.bedford.gov.uk/startingschool. The closing date for applications is Monday 15th January 2018.

Jeans for Genes Day

Thank you for your generous donations, we raised a total amount of £251.35 for this very worthwhile cause.

Parent Consultation Meetings

Letters were sent out this week inviting you to parent's consultation meeting.

Please ensure you return your slip for your appointment time by Monday 9th October.

Jewellery

Only stud earrings should be worn to school. No other jewellery is permitted. Earrings need to be removed for PE days. However, if the earrings cannot be removed then please provide your child with tape to cover the earrings.

Children leaving early

We have an increasing number of children leaving school early for appointments. Can I please ask that you only collect your child from school early if it is absolutely necessary and inform the office well in advance. It is very disruptive to the class to keep interrupting lessons even if it is the last 10-15 minutes.

Flu Vaccine

The children's flu vaccine is offered as a yearly nasal spray to young children to protect them against flu. Please return your permissions forms as soon as possible. If your form is not returned your child will not receive the vaccination. Children in Years 1 to 4 will have their Flu Vaccine on Friday 20th October. The vaccine is given as a single spray squirted up each nostril.

Yours sincerely,

Mr P Stanyard
Head Teacher
