Nut Allergies

I would like to take this opportunity to remind you that Camestone is a 'nut free' school as a number of our pupils have severe nut allergies. I thank you in advance for your co-operation with this matter.

* WINNING LOGO
M.S. Cooper Class

The whole of Key Stage 2 recently took part in Bedford Borough Council's Enviro-Hub logo competition with the winning entry chosen to be one of the public faces of the council's new recycling scheme.

We pleased to announce that one of our entries was selected by The Mayor himself as a competition winner!

The winner received a free family swim pass at Kempston Pool and their logo will be used to advertise the scheme in Kempston.

However, the council were so impressed with a number of entries from Camestone School, that they have also produced some special recognition certificates for a number of students whose logos were deemed to be of an exceptionally high standard.
