## Year 4 Swimming

Year 4 have now completed 6 weeks of lessons, some children have achieved their 25 metres certificate and others who could not previously swim can now swim a smaller distance. Anyone who was not been accessed this term, will be accessed next term. Well done to everyone!

## Walking Charter

Our House Captains/House representatives have been involved with The Walk to School Week 'Walking Charter' which was a walk to promote healthy living and reduce our carton footprint.

Schools from the local area have been involved with this. Springfield School's Year 1 pupils passed the charter onto our Year 6 pupils on Wednesday morning. Both Springfield and Camestone School then walked together to Addison Park to collect some natural resources to make a piece of artwork. They also added their footprints to the charter, which will be taken on to the next school.

The charter will be displayed at County Hall in the near future.

Please could all scooters and bikes, including those belonging to siblings, be left at the bike and scooter park, near the school gate, at the beginning and end of the school day. No bike or scooter should be brought onto the school playground for safety reasons. Thank you for your understanding.

We would like to welcome back Mrs Gillespie who has returned after maternity leave.
