As in previous years, we would like to support Jeans for Genes.

Jeans for Genes Day is the annual fundraising campaign for Genetic Disorders UK, the national charity that supports individuals and families affected by a genetic disorder.

Monies raised on Jeans for Genes Day fund the work of the charity and provide grants to organisations for projects that aim to transform the lives of children with genetic disorders.

Children can wear jeans, or similar, with the rest of their school uniform on **Friday 18th September. Please bring a suggested donation of £1 to take part.**

School Photos 1st Oct

School photographs will be different this year. Due to the current situation there will not be any sibling photographs to ensure that staff and pupils do not cross bubbles and to keep us all safe.

Flu Spray Vaccine

The Flu Vaccine is scheduled for 19th October, we will confirm this nearer the time.

Reading

Due to COVID-19 restrictions, our reading book systems will need to change, but please be assured that all children will be reading regularly in school. To reduce contact with items being passed between home and school books may not be signed as they were previously. Each year group will notify parents of their new systems e.g. which days books will be changed. Please ask teachers if you have any questions following this.

Playtime Snack and Packed Lunches

The school has a nut free policy so please ensure that your child does not bring to school any food items containing nuts. As a Healthy School can we remind you of the following:

- We encourage Year 3, 4, 6 & 6 pupils to bring a healthy snack for playtime such as raisins, fruit, cheese or crackers. **Please no chocolate bars or cereal bars.** Thank you.
- Packed lunches should contain a healthy balance including a drink.
Please no sweets or fizzy drinks. Thank you

PE days are as follows. Please send your child to school in P.E. kit (all year groups).
